REMARKS/ARGUMENTS

In the Official Action of April 28, 2004, dependent Claim 2 was indicated to be allowable upon being rewritten in independent form. This has been accomplished with the amendment to base Claim 1 as presented herein, and it is accordingly submitted that Claim 1 and its dependent Claims 3-10 are in condition for immediate allowance.

Claim 10 has been amended to more clearly define the primary heater and the cooling device as being in a generally linear arrangement above the service aisle, as shown in Fig. 1 at 11, 12. The paragraph beginning at page 5, line 9 of the specification has been correspondingly amended.

There being no other issues, an early notice of allowance is solicited.

Respectfully submitted,
